

THE FOX
SMALL BAR

WELCOME TO
THE FOX

Say hello to The Fox, a refined creature of sophisticated habits and global accomplishments. A charismatic raconteur and always a gentleman, The Fox likes to maintain a sense of mystery about his back story. He tells everyone he's from everywhere and nowhere at the same time, until he found himself in Far North Queensland and opened this bar.

Most perplexing about his character, however, is the unknown origins of his vast and secret wealth. Rumours abound as to where he attained his fortune. Some say he played the financial markets and got lucky on the right stocks at the right time. Others say he was an international spice trader who got in the trading game when the gettin' was good. A few scandalous scallywags suggest he stumbled on stolen treasures as a brave young soldier in the war.

Whatever the truth might be, he's here now in this place and to his delight his friends like to join him whenever they can. Indeed, The Fox is a confidant to captains of industry and powerful baronesses, not to mention sporting champions and literary types. You'll find them all popping up at his bar, telling tall tales - usually about each other. The Fox is a key player in a scene where movers and shakers with nefarious reputations wheel and deal over fine wines and delicious morsels.

The Fox is a man of many talents, on top of his penchant for selecting the best wines and spirits while engaging in witty conversation. He's a fly-fishing champion, a master clay shooter and a polo playing captain. Just ask him, if you can catch him next time you're at his bar.
